DIGNITY FIRST ON APRIL 1

Mister, You'd Better Be Wary of Friendly Kids Tomorrow.

Beware of April First!
Tomorrow is the day for fools.
You do not have to be one. All you have to be is a friend of fellow man. Fellow man will attend to the rest.

Fellow man is usually personified
in the very small boy—the manette type; just as a cigarette is a little

Total Casualties 23,000,000

Casualties for all belligerents in killed, wounded, and missing since the beginning of the war to date are estimated at approximately 23,000,000 men. Of these casualties Germany has suffered slightly more than 4,000,000, England slightly more than 2,000,000, France about 3,500,000.

It is estimated that England's interest on her present war debt for one

terest on her present war debt for one year is well over \$200,000,000. Ger-many and France face deficits in pro-portion to this.

For months Germany and England have been mobilizing hundreds of thousands of women to work either directly behind the fighting lines, elsewhere along the fronts or at home in what is known as civil war service. The voluntary period of enlistment for this service expires in Germany to-day, and tomorrow compulsory service will be inaugurated.
